

## **NRC Publicly Available Sources of Event Information (Partial List)**

The following is a list of publicly available sources of event information provided by NRC. The list is not exhaustive.

**NRC Event Notification Reports:** <https://www.nrc.gov/reading-rm/doc-collections/event-status/event/index.html>

- The Navigation bar contains a link to Search Event Notifications: <https://lersearch.inl.gov/ENSearchCriteria.aspx>
- A link to the IAEA Event Report Website is also provided: <https://www-news.iaea.org/EventList.aspx>

**NMED Annual Reports:** <https://nmed.inl.gov/>

- These reports present information on trending and analysis of events reported to the NRC. There are subsections that break down the data by event categories and contain summaries of significant events under that category.

**Medical Uses Licensee Toolkit:** <https://www.nrc.gov/materials/miau/med-use-toolkit.html>

- Medical Events: <https://www.nrc.gov/materials/miau/med-use-toolkit.html#events>
  - o This section of the Toolbox includes presentations on medical events by the NRC's Advisory Committee on the Medical Uses of Isotopes (ACMUI).
- Generic Communications: <https://www.nrc.gov/materials/miau/med-use-toolkit.html#gencom>
  - o This section of the Toolbox contains links to Regulatory Issue Summaries and Information Notices of interest to medical-use licensees.
